Also on September 7, 2016, Liberty Media, the Buyer, Formula 1 and the Initial Sellers entered into the second stock purchase agreement (the **Second SPA**). Pursuant to the Second SPA, the other shareholders of Formula 1 (together with the Initial Sellers, the **Selling Stockholders**) (i) entered into a deed of adherence to the Second SPA before the closing of the Second SPA (the **Second Closing**) or (ii) became bound by the terms of the Second SPA pursuant to a drag along notice issued by Formula 1 pursuant to Formula 1's Articles of Association. Pursuant to the Second SPA:

- the purchase and sale of the initial securities and the additional securities consummated pursuant to the First SPA was unwound in full immediately prior to the Second Closing;
- the amount of cash paid to the Initial Sellers at the First Closing and the Additional Closing was credited against the amount of cash payable at the Second Closing;
- immediately following the unwind of the First Closing and the Additional Closing, and prior to the Second Closing, a substantial portion of the issued and outstanding F1 Loan Notes were converted into additional F1 Shares and the remaining portion of the issued and outstanding F1 Loan Notes were converted into subordinated exchangeable debt instruments (the **Exchangeable Notes**) issued by Delta Topco in an aggregate principal amount of approximately \$351 million through an amendment and restatement to the existing loan note instrument constituting the F1 Loan Notes; and
- the Buyer acquired from the Selling Stockholders 100% of the fully diluted F1 Shares (other than a nominal number of equity securities held by the Teams).

Pursuant to the Second SPA, following the request of a nominee appointed by the Selling Stockholders (the **Sellers' Representative**), on December 13, 2016, Liberty Media entered into investment agreements (the **Investment Agreements**) with certain third party investors pursuant to which such third party investors agreed to purchase approximately 62 million shares of FWONK at a price of \$25.00 per share, for an aggregate purchase price of \$1.55 billion. The transactions contemplated by the Investment Agreements were consummated concurrently with the Second Closing. The net proceeds received under the Investment Agreements were used to fund a portion of the cash consideration payable to the Selling Stockholders at the Second Closing, and increased such cash consideration by an amount equal to the proceeds received by Liberty Media pursuant to the Investment Agreements (less selling expenses) and decreased the number of shares of FWONK otherwise issuable to the Selling Stockholders by the number of shares of FWONK actually sold pursuant to the Investment Agreements. Liberty Media did not retain any proceeds from the sale of shares of FWONK to the third party investors pursuant to the Investment Agreements.

At the Second Closing, pursuant to a side letter entered into with the Sellers' Representative under the Second SPA, we purchased approximately 19 million shares of FWONK at the \$21.26 reference price, thereby increasing the cash consideration payable to the Selling Stockholders by \$400 million. A portion of the net proceeds from Liberty Media's private offering of \$450 million aggregate principal amount of its 1.0% cash convertible senior notes due 2023, which closed on January 23, 2017, was used to fund the increase in the cash consideration to the Selling Stockholders. These shares of FWONK were reserved by Liberty Media in treasury for possible issuance to the Teams but have since been retired. The aggregate number of shares of FWONK issued at the Second Closing did not change as a result of this transaction. Only the allocation of the approximately 137 million shares of FWONK changed as follows: approximately 56 million to the Selling Stockholders, approximately 62 million to the third party investors and approximately 19 million into treasury (all of which approximately 19 million shares have subsequently been retired).
