The CITs include asset allocation funds based on target retirement dates. In addition, the Liberty Plan offers a brokerage option, Brokeragelink, whereby participants can elect to invest in publicly traded investments and mutual funds not offered directly by the Liberty Plan. A complete list of investment options can be found on Schedule II to these financial statements. Liberty Plan participants may change investment options and contribution percentages on a daily basis.

Less than 1	0 %
1 year	33 %
2 years	66 %
